OBJECTIVE

Motivated Software Engineer Seeking a Challenging Role to Utilize Skills and Experience for Company Growth. Dedicated to Continuous Improvement and Achieving Both Personal and Organizational Goals

EDUCATION

B.Tech CSE , From Meerut Institute of Technology, Percentage: 82.3	2024
12th , From SD Inter College, Percentage: 77.2	2018
10th , From SD Inter College, Percentage: 87.16	2016

SKILLS

Programming Languages	C++, JavaScript, SQL
Technologies/Frameworks	HTML, CSS, Tailwind CSS, React, MongoDB, Express, Node.js, REST APIs, Bootstrap
Tools	Git, GitHub, VS Code, Postman
Coursework	DBMS, Operating System, Computer Network, OOPS
Others	Data Structure and Algorithm, Web Development and Problem Solving skills

PROJECTS

Expense Tracker

Tech Stack :- ReactJS, JavaScript, MongoDB, Express, NodeJS, IDE-VSCODE

- Built a web app for tracking expenses, allowing users to manage transactions, categorize spending, and view real-time data visualizations.
- Worked in a team of three to develop the web app, contributing to the design, implementation, and testing phases.
- Led front-end development, focusing on responsive user interface design, custom component implementation, and seamless state management using React hooks . [Live](#) — [Source Code](#)

Netflix UI Clone.

Tech Stack :- ReactJs, Vite, CSS3, JavaScript, HTML5, TMDB-API.

- Built a responsive Netflix clone using React and TMDB API, featuring dynamic movie data fetching and integrated YouTube trailer playback via iFrames, focusing on modern front-end design principles.
- Implemented a component-driven architecture to manage various UI sections like dynamic banners and movie categories. [Live](#) — [Source Code](#)

KanBan To-Do.

Tech Stack :- HTML5, CSS3, JavaScript

- Developed a Kanban-style To-Do app using JavaScript, implementing custom drag-and-drop functionality and DOM manipulation without external libraries. [Live](#) — [Source Code](#)

ACHIEVEMENTS

- Scored Grade A in all Modules of AMCAT 2023 Exam.
- Solved over 150+ DSA Problems on various coding platforms such as LeetCode and GeeksForGeeks etc.
- Scored 595 in CoCubes 2024 Exam
